

Title of the Hearing: Social Security Fairness!!!

Dear Members of the Committee on Ways and Means:

My name is Barbara Bianco and I am a retired Connecticut teacher. I am writing for your support in repealing the Government Pension Offset and Windfall Elimination Provision. If these offsets are not eliminated, at age sixty-six I will only be able to collect half of my social security benefit . Also, if my husband should predecease me, I will not be able to collect any of his benefit which he has paid into for over forty years. These 2 offsets are totally unfair and must be repealed. Who will be getting the social security benefit that my husband and I worked for if we aren't going to receive it?

Sincerely,

Barbara Bianco
